Dr. Joshua Lederberg,
Department of Genetics,
University of Wisconsin,
Madison,
WISCONSIN, U.S.A.

Dear Dr. Lederberg,

Under separate cover I am
forwarding reprints as requested by Dr. Burnet.

I regret that the second
paper on the O-D change of influenza virus
is exhausted. However I am having a micro-
film prepared of the paper, and will
forward it as soon as possible.

Trusting These arrive safely,
Yours truly,

Jean Scott
